A message from the Managing Director

Welcome to the 2018 SLT Award Ceremony Evening Function.

For me, it is extremely important to celebrate the success of all our teams.

My belief is that MPCT staff members work extremely hard to ensure that our Learners receive the very best in teaching and learning.

The job can often be challenging, tiring and demanding. Despite this, the job is also extremely impactful and rewarding.

Our unique learning style, development and investment in individuals has resulted in outstanding performance across all areas.

With continued commitment to excellence will we not only uphold the standards but develop even further as individuals and as an organisation.

Therefore, please accept this dinner and these awards as my personal way of thanking you on behalf of the SLT for making MPCT an extraordinary place to work.

I hope you enjoy the evening and I wish you the very best of luck with the individual awards.
